

PLEASE KEEP KLOVE IN MY AREA! I live in Roseville CA and my family is served greatly by the "FAMILY FRIENDLY" programing that is aired 24 hours a day seven days a week. The entire community benefits through the generosity of its listeners. KLOVE is commercial free! Please don't squeeze this station out by a "SPECIAL INTEREST", "LOW QUALITY", low power station. Also KLOVE airs all over the counrty. I can count on KLOVE wherever I go. It benefits the whole nation. Thank you, Toby Wenning
